

LOVE IS

A CITY

Foreword

From the beaches of California to the rainforests of Brazil and the holy mountains of Jerusalem, a love for Johnny Marr and his music is a universal phenomenon that transcends the boundaries of geography and culture.

Since the Johnny Marrvellous Network's inception in 2014, fans from over 30 countries have come together to share in the excitement over new albums, tours, and even beyond that, form friendships based on a shared love.

In this book, for Johnny's birthday, 55 fans from across the globe have taken the time to share with him a favourite part of their hometown.

Happy Birthday, Johnny! Joyeux anniversaire! Alles Gute zum Geburtstag! Buon Compleanno! Feliz Aniversário! יום הולדת שמח!

Here's to many more to come...

Dear Johnny,

Sao Paulo is a city that encompasses chaos and beauty and though I've lived here all my life, your outlook on urban spaces was what made me start appreciating its peculiarities. Hope you get to experience it soon!

Thank you for your music and overall aceness.

Hi Johnny,

On 31st October we will be the same age.

In that time I've been to many gigs.

But yours stand out, they're different.

The atmosphere, a vibe, an energy.

There is love in the room.

It's been quite a journey & it ain't over yet.
